Navigation model: Allocate Student to Room (Team 14, Lab 10, v1)

Task paths. T1 (officer): A0 → A1 → A2 → A3 = 3 screens after sign-in; from the loaded queue: Allocate button, choose room, Confirm = 3 actions.

T2 (student): A0 → S1 = 1 screen, 0 navigation actions. Thick arrows = shortest path for T1.

Other transitions: A2 → A1 (Back to queue, Cancel); A3 → A1 (Allocate next applicant); A1 and A3 → Room view.

AUTH_001 (session expired) from any screen → A0, then back to the same screen. Detail: docs/ui-states.md.

Solid box = screen in this lab. Dashed box = existing or annotation. Dashed arrow = unauthorised or exceptional route.
